Open Discussion:

your feedback and ideas
to make OEx portal better

 1st Mar, 2023 - 9:00 am EST

● Online | 9:00 am Boston EST | 2:00 pm GMT | 3:00 pm Berlin | 6:00 pm Dubai | 10:00 pm Beijing

Topics that we will cover:

- There are many packages.
- There are duplications of functionality the packages provide.
- Most packages only have one contributor - teamwork encouragement
- Many packages haven't been updated in a long time.
- Apps bundles
- Demo for the apps

The format of the event will be an open table discussion, where we will present our ideas and the vector of development. Then, we will ask for your feedback and encourage everyone to participate in the discussion.

Agenda:

Open Discussion about InterSystems Open Exchange

Published on InterSystems Developer Community (<https://community.intersystems.com>)

- 5 min - A short overview of app quality check feature (for moderators)
- 10 min - Questions and feedback
- 10 min - Our vision to address the issues mentioned above.
- 20 min - Questions and feedback
- 25 min - open talk - other ideas, wishes, comments towards Open Exchange

If you have any other ideas or topics that you would like to discuss, feel free to put them in the comments or announce them during the meeting.

We look forward to seeing you there and having an engaging discussion.
