InterSystems Global Summit 2023

We're electrified to invite all our clients, partners, developers, and community members to our in-person InterSystems Global Summit 2023!

Our Global Summit user conference is your opportunity to connect with trailblazing product developers, fellow users pushing our technology into new frontiers, and the people whose out-of-box thinking is rocking our universities and board rooms. All in the same space. And registration is now open!
